Your continued insults, threats, and feigned indignation are unprofessional. If the court rules in your favor and you tender the full witness fee, then Mr. Seddon will attend. Otherwise, you'll need to reschedule as suggested or file your motion(s).

Subject: Seddon deposition

Ms. Moscatel:

I am writing to again request an answer to the question I posed in my email of yesterday: will Mr. Seddon appear for the deposition scheduled for October 27 or is he refusing to do so. The travel plans of numerous people depend on your response. Please respond immediately.
